IIC ACTIVITY

Topic: Demo Day/Exhibition/Poster Presentation of Business Plan/Prototype developed & linkage with Innovation Ambassadors for mentorship support.

Under the IIC (Institution Innovation Council) demo day activity was conducted on 12th July 2022 in the Physics department laboratory of R.D. and S.H. National College and S.W.A. Science College. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee.

Under graduate students were given duration of one month to observe our environment and day to day happenings to identify inconvenience/problem. Based on their problem identification they asked think about the solutions. These solutions can leads to great idea which can be converted into a process which helps the society at large. This exercise made the students to observe, think & research on different topics. The students them self-made started working in groups to analyse the problem and their solutions. Students made the presentations on their observation and the solution they have brought for same. Many students made the models for the solutions.

On 12th July 2022 students gave the presentation on their identified problems and different solutions for the same. then faculty and other students were had group discussion for best solutions and practicality check, further suggestions and modification were suggested.

Around 70 first year students in groups participated in this activity.

After all the presentations 5-6 students and faculty gave the feedback on this activity which were very positive and encouraging for arranging these kind of activity.

MY STORY SESSION UNDER IIC ACTIVITY: A guest lecture on Entrepreneurship skill development in Basic plant sciences through Alternative therapies By Mrs. Renuka Warrior, An entrepreneur @olivebyrenuka

On January 24th, 2023, a guest lecture on "Entrepreneurship Skill Development in Basic Plant Sciences Through Alternative Therapies" was organized at the Conference Hall of R.D. and S.H. National College. The lecture was delivered by Mrs. Renuka Warrior, an entrepreneur and founder of Olive By Renuka, a company that specializes in alternative therapies based on plant sciences.

The lecture was attended by students, faculty members, and researchers from the department of Botany and other allied fields. Mrs. Warrior started the lecture by introducing the concept of entrepreneurship and its importance in today's world. She explained that entrepreneurship involves identifying opportunities and creating value by taking calculated risks.

Mrs. Warrior then discussed the potential of plant sciences and alternative therapies in entrepreneurship. She explained that plants have been used for medicinal purposes for centuries, and there is a growing demand for natural remedies and therapies. She emphasized the need for entrepreneurs to leverage this opportunity by developing innovative products and services based on plant sciences and alternative therapies.

Mrs. Warrior then shared her personal experience of starting Olive By Renuka, which specializes in developing and marketing natural skincare and wellness products based on plant-based ingredients. She shared the challenges she faced during the initial stages of her entrepreneurship journey and how she overcame them through perseverance, innovation, and strategic planning.

She also discussed the importance of research and development in entrepreneurship and how it can help entrepreneurs develop innovative products and services. She emphasized the need for entrepreneurs to constantly explore new ideas, test them, and refine them to meet the changing needs of the market.

Renuka Warrior

The lecture concluded with a question and answer session, where the students and faculty members asked various questions related to entrepreneurship, plant sciences, and alternative therapies. The lecture was informative and inspiring, and it motivated the students to explore entrepreneurship as a career option and leverage the potential of plant sciences and alternative therapies.

In conclusion, the guest lecture on Entrepreneurship Skill Development in Basic Plant Sciences Through Alternative Therapies by Mrs. Renuka Warrior was a great success and helped raise awareness about the potential of entrepreneurship in the field of plant sciences and alternative therapies. It also provided valuable insights and inspiration to the students and faculty members, who are interested in pursuing entrepreneurship.

Healing With Plant Instincts

A paradigm shift in the study of plants

THINK DIFFERENTLY TO FIND YOUR PATHWAY

Special Features

- A session to know about non-conventional ways of healing with plants
- Explore new directions to your life
- Understanding how plant instincts can be utilised to heal a person
- To know about the existing therapies in this field

My Story Session under IIC Activity

A guest lecture on “Actuarial Science and its scope for Entrepreneurship” by Mr. Aman Loharuka, an Entrepreneur @ IAQS.

On 28th February 2023, Mr. Aman Loharuka, Director of the Institute of Actuarial and Quantitative Studies (IAQS), delivered a talk on "Actuarial Science and its scope for Entrepreneurship" at Room no. 7 of the IIC, MIC at R.D AND S.H National College Bandra West Mumbai. The talk focused on how the field of actuarial science can provide opportunities for entrepreneurship and innovation.

Actuarial science is a field that applies mathematical and statistical methods to assess and manage risks. Actuaries use data analysis and modeling techniques to help businesses and organizations make informed decisions about managing risks related to insurance, finance, and other areas. According to Mr. Loharuka, the skills and knowledge gained in actuarial science can be leveraged to create innovative solutions to complex problems and start new businesses.

During his talk, Mr. Loharuka highlighted some of the ways in which actuarial science can be applied in entrepreneurship. For example, actuarial techniques can be used to analyze and forecast market trends, assess financial risks associated with new business ventures, and develop innovative insurance products to address emerging risks. Additionally, actuarial science can provide a valuable foundation for entrepreneurs in fields such as finance, healthcare, and technology, where risk management is essential for success.

Mr. Loharuka also discussed some of the challenges that entrepreneurs in the field of actuarial science may face. These include the need for specialized knowledge and expertise, the complexity of the regulatory environment, and the need to balance risk and reward in business decisions. However, he emphasized that with the right skills and approach, actuarial science can provide a fertile ground for entrepreneurship and innovation.

Overall, Mr. Loharuka's talk highlighted the potential for actuarial science to provide opportunities for entrepreneurship and innovation. By applying the principles of risk

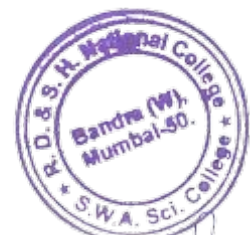

Aman Loharuka

management and data analysis to new business ventures, entrepreneurs in this field can create valuable solutions and make a positive impact on Society.

At the end he summarizes the session by concluding that actuarial science can be an invaluable tool for entrepreneurs, providing them with the skills and knowledge necessary to manage risk, make informed financial decisions, and stay ahead of the curve in a competitive market.

A small speech was also given by Mr. Pravin Panigrahi, Convener of IIC, motivating students to start their journey in the field of Actuarial Science. The final vote of thanks was given by Ms. Priyam Singh, student of Third Year, B.Com (Accounting and Finance) after the question and answer (Q & A) session.

No of Beneficiaries: Approx. 86 students and 02 faculty members had attended the session. They found the session to be productive and pragmatic. Session was very fruitful. It was indeed a great experience and will have a lasting impact on all the participants.

Chainlink Community Advocate, Former Gold Microsoft Learn Student Ambassador)**

Hands on Training on Basic of Smart Contracts and Introduction to Chainlink

was held on : **14th January 2023** at 10:00 am conducted by the Computer Science Department.

Mr.Ganesh Tiwari ,is a Frontend and DevOps Engineer at Nethermind, Chainlink Community Advocate, Former Gold Microsoft Learn Student Ambassador and alumni of RD National College. having an overall experience of more than 5 years in Software Development, Production support, Web Programing and Development, Visual Effects and Dot Net and Alumni of Computer Science Department RD National College was the Guest Speaker for the same. The main objective was to give a Hands-on Training on Basic of Smart Contracts and Introduction to Chain Link to the students.

As an entrepreneur, understanding the basic concepts of smart contracts and the potential benefits of Chain Link can be essential in today's ever-evolving business.

environment. Here are some ways you can use basic smart contracts and Chainlink to benefit your entrepreneurial ventures:

1. Streamline processes: Smart contracts can automate complex processes, thereby eliminating the need for intermediaries and reducing costs. You can use smart contracts to streamline operations in areas such as supply chain management, contract management, and customer relationship management.
2. Increase trust: Smart contracts are tamper-proof and guarantee transparency, which can help build trust between parties. This trust can help entrepreneurs create strong relationships with customers, suppliers, and partners.
3. Automate payments: Smart contracts can automate payments, ensuring that funds are transferred between parties once predefined conditions are met. This automation can eliminate errors caused by manual processing and reduce the risk of fraud.
4. Enhance security: Chain Link is a decentralized oracle network that connects smart contracts with off-chain data sources. The use of Chain Link can enhance the security of smart contracts by providing secure and reliable data feeds to them.
5. Explore new opportunities: Smart contracts and Chain Link can open the door to new business opportunities. Entrepreneurs can leverage the benefits of these technologies to create innovative products and services that can disrupt existing markets. For example, decentralized marketplaces that use smart contracts and Chainlink can offer an alternative to traditional marketplaces.

Asgharhauy

Overall, understanding the basic concepts of smart contracts and Chain Link is essential for entrepreneurs who want to stay ahead of the curve in today's digital economy. With these technologies, entrepreneurs can create more efficient, secure, and innovative businesses that can thrive in the future.

The Seminar was conducted with the 70 students of Computer Science Students. The Seminar was highly interactive under the able guidance of the guest speaker.

Report of Session on “Entrepreneurship in Financial Planning and Investment”.

On 28th November, 2022, a session was organized by **The Institutions Innovation Council Cell (IIC)** of R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College from 10:30 am to 11:30 am in Room No. 7. The main topic of discussion was on various **career options and Entrepreneurship in Financial Planning and Investment**. The session was organized under the guidance of Dr. Mona kejariwal, President of IIC and Dr. Mukesh Kanojia, Vice-president of IIC.

Mr. Aman Pal Singh Chawla, director of the ACBM Global Mentor Academy was invited as the resource person to deliver lecture on entrepreneurship.

The session started with a brief introduction of the topic and welcoming our keynote speaker, which was done by Mr. Prajwal Mane, a student of Second year, B.com (Accounting and Finance). The session commenced with Mr. Aman Pal Singh Chawla sir giving a brief introduction about himself and about his company and putting heavy emphasis on making the session an interactive one. He explained everyone about the financial planning and how entrepreneurship plays a crucial role in the financial planning and investment industry by fostering innovation, creating job opportunities, promoting diversification, improving efficiency, and encouraging healthy competition.

Mr. Aman Pal Singh Chawla sir then explained that Entrepreneurship is crucial in the financial planning and investment industry for several reasons such as:

1. **Innovation and Creativity:** Entrepreneurial thinking encourages innovation and creativity in financial planning and investment. Entrepreneurs can develop new approaches, products, and services that can improve the existing financial planning and investment models. This can help financial planners and investors to identify new investment opportunities and manage risks effectively.

2. **Job Creation:** Entrepreneurship in financial planning and investment can create new job opportunities. Entrepreneurs can start their own firms and employ people who have the skills and expertise in financial planning and investment. This can contribute to the overall economic growth and development of a region.

Aspaghiani

3. **Diversification:** Entrepreneurial ventures in financial planning and investment can bring about diversification in the market. This can provide investors with a wider range of investment options and minimize the risks associated with investing in a single market or asset class.

4. **Efficiency:** Entrepreneurs can improve the efficiency of financial planning and investment. They can develop and implement new technology and automation tools that can simplify and streamline the financial planning and investment process. This can lead to cost savings for investors and increase the accessibility of financial planning and investment services.

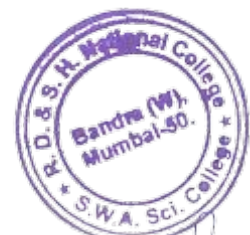

5. **Competition:** Entrepreneurship in financial planning and investment can promote healthy competition in the market. This can encourage financial planners and investors to improve their services and offerings to stay competitive, resulting in better quality services for clients.

At the end he summarizes the session by concluding that financial planning can be highly beneficial for entrepreneurs, enabling them to budget and manage their cash flow, manage capital, manage risks, set and monitor goals, and plan for tax efficiency. By incorporating financial planning into their business strategy, entrepreneurs can improve their chances of success and build sustainable businesses.

Having Mr. Aman Pal Singh Chawla sir for that session was eye opening for all the students and definitely gave students a clearer picture of the world along with a different perspective to lifestyle.

The final vote of thanks was given by Ms. Yamini Sule, student of Third Year, B.Com (Accounting and Finance) after the question and answer (Q & A) session.

No of Beneficiaries: Approx. 97 students and 02 faculty members had attended the session. They found the session to be productive and pragmatic. Session was very fruitful. It was indeed a great experience and will have a lasting impact on all the participants.

DEPARTMENT OF PHYSICS
WORKSHOP ON DESIGN THINKING, CRITICAL THINKING
& INNOVATION DESIGN

Class: FYBSc., SYBSc., TYBSc., MSc.

DATE: 15TH FEB. – 27TH FEB. 2023

The Physics Department organised a short-term skill base course on “POWER OF ELECTRONICS” in collaboration with WESTERN REGIONAL INSTRUMENTATION CENTER (WRIC-Mumbai) for undergraduate and post graduate student of Physics from 15th Feb. 2023 to 27th Feb. 2023 in three batches. Each batch comprise of around 40 students. Following was the schedule for the same.

DATE	CLASS	TEACHER COORDINATOR
15 th to 17 th Feb. 2023	TYBSC & MSc. - II (40)	1. Dr. Milind Kulkarni 2. Dr. Laxman Jathar 3. Mr. Anikesh Mani
21 st to 23 rd Feb. 2023	FYBSc. (93)	1. Ms. Namrata Ajwani 2. Mr. Dinesh Himatsinghani 3. Dr. Milind Kulkarni 4. Dr. Laxman Jathar 5. Dr. Seema Shinde 6. Ms. Poonam Jaju 7. Anikesh Mani
24 th to 27 th Feb. 2023	SYBSc. & MSc. - I (39)	1. Ms. Namrata Ajwani 2. Dr. Seema Shinde 3. Ms. Poonam Jaju

◆ Program Schedule ◆

Day 1 – 15.02.2023	
10.30a.m. – 11 a.m.	Inauguration Function
11.00 a.m. -12.00 p.m.	Lecture on DESIGN THINKING
1.00 p.m. – 1.45 p.m.	Lunch
1.45 p.m. – 4.45 p.m.	Lab session [Venue- Training Lab. Ground Floor]
Day 2 – 16.02.2023 (Batch I)	
11.00 a.m. – 12 p.m.	Lecture on INNOVATION DESIGN by Sunita BATRA
12.00 p.m.- 1.00 p.m.	Lab session [Venue- Seminar Hall First Floor]
1.00 p.m. – 1.30 p.m.	Lunch

Aspashiani

1.30 p.m. – 5.00 p.m.	Lab session continued
Day 2 – 16.02.2023 (Batch II)	
11.00 a.m. – 12 p.m.	Lecture on ‘Introduction of Computer Hardware and Networks by Mr. Thakur Moosa
12.00 p.m.- 1.00 p.m.	Lab session [Venue- Seminar Hall Ground Floor]
1.00 p.m. – 1.30 p.m.	Lunch
1.30 p.m. – 5.00 p.m.	Lab session continued
Day 3 – 17.02.2023 (Batch II)	
11.00 a.m. – 12 p.m.	Lecture on ‘CRITICAL THINKING’ by Sunita Batra
12.00 p.m.- 1.00 p.m.	Lab session [Venue- Seminar Hall First Floor]
1.00 p.m. – 1.30 p.m.	Lunch
1.30 p.m. – 5.00 p.m.	Lab session continued

1.00 p.m. – 1.30 p.m.	Lunch
1.30 p.m. – 5.00 p.m.	Lab session continued

Lectures

- DESIGN THINKING
- INNOVATION DESIGN
- CRITICAL THINKING
- INTRODUCTION TO COMPUTER HARDWARE AND NETWORKS

Lab session

- Soldering and de soldering of components on P.C.B
- Identification and testing of components
- Practical calculation of R, V, I, Using R-network

Laboratory Sessions on Electrical Appliances

- Introduction of electrical instruments
- Study and understanding of all electrical components

Heating instruments

- Working principle of heating instruments
- Types of heating coils.
- Types of heating control (fan regulator, thermostat, remote control, digital temp controller)
- Repairing of electrical appliances (iron, hot plate, geyser, laboratory oven etc)
- Repairing of motor-based instruments (mixer, grinder, fan, magnetic stirrer, shaker etc)
- Preventive care of all type’s electrical instruments.

Workshop on Entrepreneurship Skill, Attitude and Behavior Development

College had organised the Soft Skill Certification Programme for the students of fy,sy ,ty and for the masters students from all the streams on 10,12 &13 of August,2022 at IBS Mumbai ,Venue : Shri N J Yasaswy. This was specially conducted to groom the personality of the students and to make them aware about the industry expertise which is very much required in the global world to sharpen their skills and to polish the basic etiquette. The sessions were highly effective and skill developing, teachers and students enjoyed, Teachers as well as the students enjoyed the session. There are around 150 students participated in the workshop.

The following is the three-day schedule of the session conducted with the Expertise.

	Date	Time	Topic	Resource Person
1	Wednesday, August 10, 2022	11.a.m to 12..p.m	Overview of Soft Skills, Professional and Professional Effectiveness	Prof Juhi Ranjan
2	Wednesday, August 10, 2022	12.p.m to 1.p.m	Personality Development and Image Management	Prof Juhi Ranjan
3	Wednesday, August 10, 2022	2.p.m to 3.p.m	Communication Skills - Importance, How to Develop Communication Skills- Verbal & Non-Verbal	Dr Rita Rangnekar
4	Wednesday, August 10, 2022	3.p.m to 4.p.m	Body Language and Non-Verbal Communication	Dr Rita Rangnekar
5	Friday, August 12, 2022	11.a.m to 12..p.m	Learning to Work in Teams, Team Skills	Prof Tapas Das
6	Friday, August 12, 2022	12.p.m to 1.p.m	Managing Conflict; Role of Conflict Management in Leadership	Prof Tapas Das
7	Friday, August 12, 2022	2.p.m to 3.p.m	Making Winning Presentations	Prof Ganesh Mani/Visiting Faculty
8	Friday, August 12, 2022	3.p.m to 4.p.m	Making Winning Presentations	Prof Ganesh Mani/Visiting Faculty
9	Saturday, August 13, 2022	11.a.m to 12..p.m	Building Soft Skills For Employability- Resume Writing	Dr Rita Rangnekar

Asghar

10	Saturday, August 13, 2022	12.p.m to 1.p.m	Speaking in a Group Discussion	Dr Rita Rangnekar
11	Saturday, August 13, 2022	2.p.m to 3.p.m	Developing Interview Skills	Prof Silpy Gupta
12	Saturday, August 13, 2022	3.p.m to 4.p.m	Setting Goals for Personal & Professional Effectiveness	Prof Silpy Gupta

Innovator & Entrepreneur Stalls

Exhibition of Innovation and Entrepreneurship

Date: 27th February 2023

Venue : Basketball Court, RDNC

Time : 12 to 5 pm

No. of Stalls: 10 (30 Students) + 10 volunteers

No. of Beneficiaries: 400

Science has reached to current stage through innovation thus to showcase various past innovations and current ongoing efforts an Exhibition cum sale Stalls were installed.

Various stalls showcasing innovation & entrepreneur developed in past & future scopes in education, environment friendly lifestyle products such as vermicomposting, Ecotourism, food, epoxy jewelry, microscopy, wildlife observation tools, animal study, health parameter monitoring devices, etc were disseminating information to school and college students.

To involve all the students in a fun but informative manner the stalls were interactive thus they were allowed and encouraged to use various innovation showcased in the exhibition. Various games were made using the abilities of animals to inculcate inquisitive skills among all students necessary to innovate such as biomimicry which has huge potential in entrepreneurial and innovation sector.

To encourage the entrepreneurship skills students were asked to make various items on their own e.g, cloth bags, origami animals, badges, etc Students also worked on different ideas to market, promote, etc and thus themselves made the Logo for the event.

At one stall we informed about cruelty which happens against animals thus we also urged students to create world which is cruelty free.

We did a session on 8th Feb which was conducted by our alumni Chandresh Dube on how to be a youtuber, Mohd on use various social media to promote and market a product, and Karan Mestry on taking photography as an entrepreneurial skill.

Dawaat E Paneer
An Innovative Recipe competition using Paneer

Date: 27th February 2023

Venue : Biology lab 1 , RDNC

Time : 12 to 2 pm

No. of Teams: 15 (30 Students) + 5 volunteers

Winning Teams and Dish: 1st Prize Dhruv Bhangre- Lehsuni Paneer

2nd Prize Pooja Gupta – Afghani Paneer

Judges: 1. Dr. Kiron Jathar Vice Principal Science

Felicitatation of the winners on 8th March by Celebrity Chef: Rakhee Vaswani

Dairy Science is part of the Syllabus in Zoology. Making Innovative Paneer recipe in form competition is the Brain Child of our Head, Mrs. Lata Sardesai, aimed to spread the knowledge of paneer making, its nutritional properties and connect to industry.

To involve all the students in a fun but informative manner the recipe competition is created to evaluate the monetary, nutritional, entrepreneurial scope as well as inculcate skills necessary to survive that is cooking among all students.

Students brainstorm on the idea of Brand value and marketing in terms of naming the event thus coming up with name Dawaat E Paneer.

Report – Interactive Session Finance as career towards Entrepreneurship

The Field Visit was organized On 16th February, 2022, a field visit was organized by ICAI WIRC Chairman CA Manish Gadia with R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College, the Faculty of Commerce, Department of Bachelor of Commerce (Accounting and Finance) (BAF) to ICAI from 2 pm to 4 pm. The objective of the visit was to orient on career guidance and the scope of CA (Chartered Accountancy) which lead to Entrepreneurship. Dr. Mukesh Kanojia, Co-ordinator of B.Com (Accounting and Finance) had organized this Visit along with Prof. Akbar Ali Hatim & Mr. Pravin Panigrahi, faculty member.

The Chairman CA Manish Gadia of the ICAI addressed the student regarding the future of finance market and the innovations in the present scenario like crypto currency, new web portals for investing

The session started with the anthem song of ICAI, 'ye esasuptesujagarti' which means the one whose awake in those who sleep, shaping desires after desires, that, indeed, is the purse.

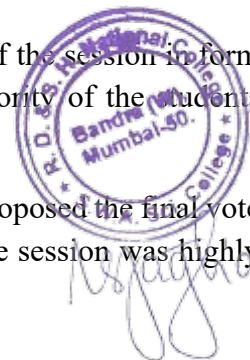

Dr. Mukesh Kanojia introduced all the dignities to the student after which CA Prakash Valecha sir gave a basic outline of the session telling us more about the auditorium where the session held. We were also taken for a tour of the building, where we saw the classrooms, the IT labs, and the famous ICAI Library, the Incubation center for investors.

CA Arpit Kabra Secretary of ICAI WIRC inspired the students with a small question and answer round, asking the student the purpose of the visit. He shared the importance of a CA and how the course was different than most financial course.

The dignities talked about their experience as a CA and how they grew in their field and how students too can become masters of their mind with dedication, passion and focus. In the end, there was also a question and answer round to resolve all the doubts that rose in the minds of the students. These questions were answered by CA Prakash Valecha who also gave us an in depth knowledge about how one can opt for CA and the preparations required along with the examination pattern. He also spoke about the increasing demand of CA and the job opportunities available after doing the course.

The total 100 students attended the session. Feedback was taken at the end of the session in form of short interviews where students were asked about their experience. Majority of the students were motivated to pursue CA course.

Ms. Kritika Soni, a student of First Year, B.COM Accounting and Finance, proposed the final vote of thanks after which tea and coffee were available for everyone. Overall the session was highly interactive.

Report on Entrepreneurship Webinar

On 21st December 2021 Prof. Sagar Talreja along with the Faculty of Department of Bachelor of Management Studies organized a Guest Lecture for the students of BMS of R.D. & S.H. National College and S.W.A. Science College on Entrepreneurship.

The speaker of this guest lecture was Mr Karan Shah, Founder & CEO of India's first Digital School - IIIDE, a Harvard Graduate and a prominent guest speaker at IIMs too.

In this guest lecture, he shared his personal story and experience of over a decade in the industry, training more than 2,35,000 + students, Industry Professionals and Corporations. The Webinar focused on the following points:

- How an individual can identify his/her prominent abilities and skills that would lead them to a successful career.
- How to identify the need of the people in today's world and bring solutions to them.
- How social media is a blessing for the new startups, growing businesses and also for the established.
- How to target the right audience.
- Where to find your Audience and which Platform to focus on.
- How to make proper use of your resources.

Keeping the session fun and Interactive, Mr Karan Shah not only enlightened the students with important Tips and Tricks of today's business needs and also guided them on how to make the most of it. Concluding the sessions with a Q&A, he gave a good piece of advice to the Queries asked by students who wished to start their own Ventures. It was truly an informative and fun-filled webinar.

The students of BMS live by the words of Milton Berle, "If the opportunity doesn't knock, build a door."

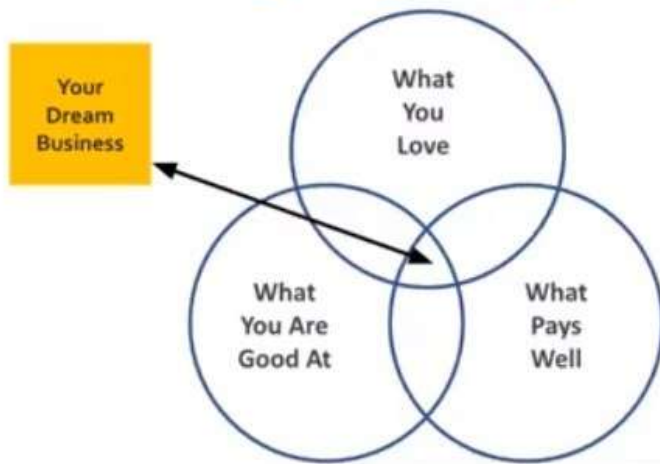

Thus, a webinar on Entrepreneurship was very fruitful for the students for the BMS.

**R.D and S.H. National College and S.W.A Science College
Linking Road, Bandra West, Mumbai - 400050**

**Report on “Effective Communication is the way to
Entrepreneurship”**

On 23rd February, 2022, an online workshop was organized by Department of Bachelor of Commerce (Accounting and Finance) (BAF) of R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College from 10 am to 12 noon. The main topic of discussion was on Effective Communication is the way to Entrepreneurship. Dr. Mukesh Kanojia, coordinator of B.com (Accounting and Finance) had organised this session.

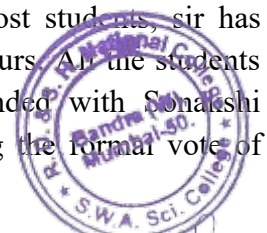

The guest speaker was Prof. Ali Akbar Hatim who has done his Bachelor of Commerce from R.D. National College. He has done a course from the well known Harvard University and has done an accelerated general management programme from IIM Ahmedabad. The main agenda for this session was to understand how good communication is and why it is very important key for an overall development of a student.

The session started with a brief introduction of the topic and welcoming the professor. Prof. Ali then took over, asking the students different types of questions and understanding the mindset of us. One of the prominent question was "if you had 30 secs to talk to a CEO of the company, what would you ask or say?" Which made all of us really think. He also asked us about what our future goals were and how we were planning to achieve them. Overall the session was two way and the students definitely enjoyed the talk they had with the sir. He also provided us with his personal contact numbers asking the student if anyone is shy to speak then he can contact him privately. This made the introverts feel more comfortable and connected to the session.

Some worksheet were given to students for checking their attitudes towards entrepreneurship.

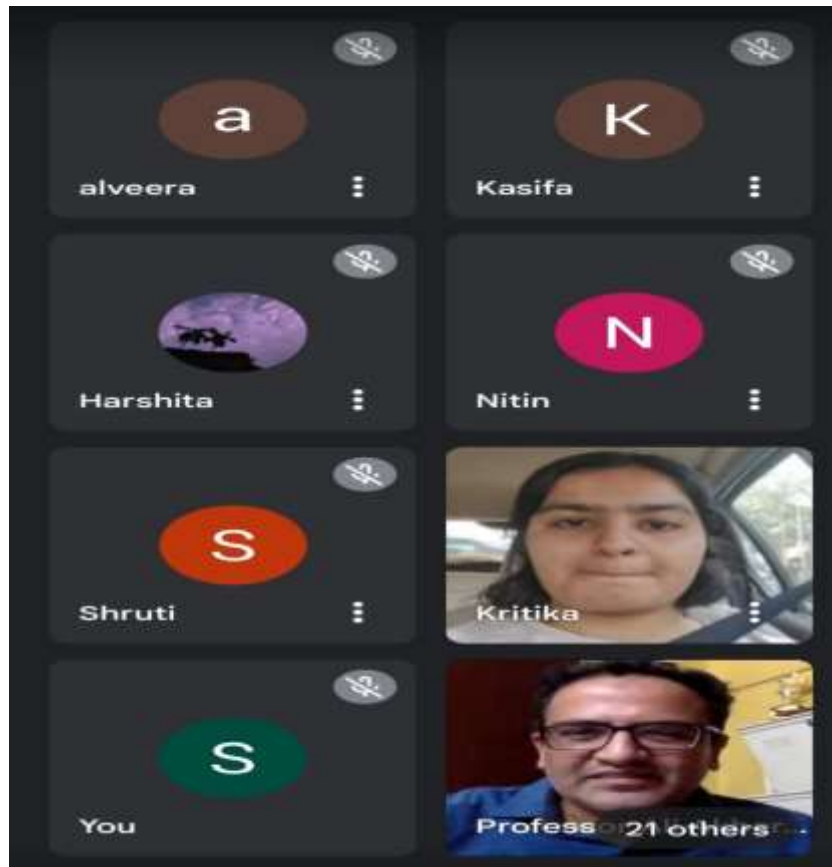

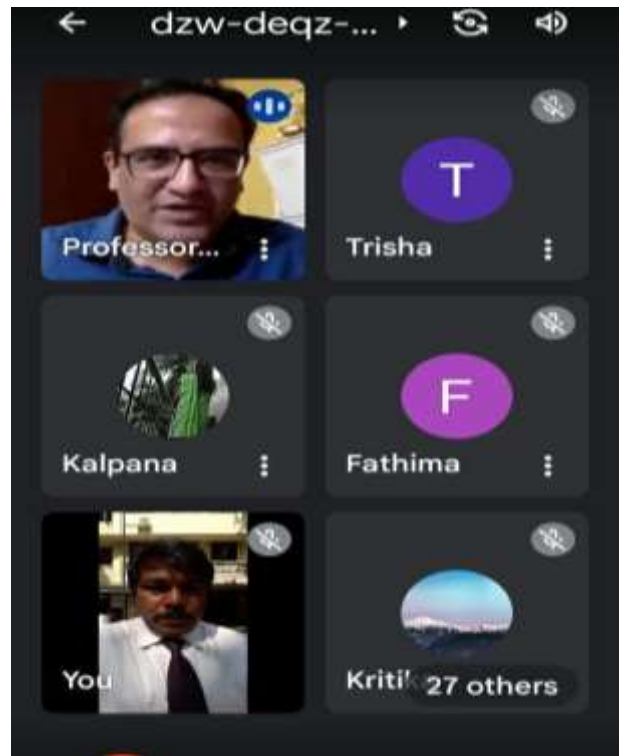

Sir went on explaining how even introverted students can make themselves more confident and expressive through the power of good communication. The next big thing which all got us thinking was when sir asked us to send him our strengths and weaknesses. He gave few students a path to how they can find a profession in their strengths and answered some questions on different start ups and what will be their future scope.

Around 60 students attended the session. Due to a good response by most students, sir has decided to keep this session in live lectures during or before the college hours. All the students were very excited to hear this and did agree with sir. The session ended with Sonakshi Chaturvedi, a student of First year BCom (accounting and finance) giving the formal vote of thanks.

Motivational talk on “The Trine of Expression” to become a successful entrepreneur

On 26 October, 2021, a webinar titled “**Words, Intentions & Expression - The Trine of Expression**” was organized by R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College, the Faculty of Commerce, Department of Bachelor of Commerce (Accounting and Finance) (BAF) and Department of Bachelor of Management Studies (BMS) from 12pm to 1pm. The webinar was held on Zoom and was also made available to watch Live on YouTube.

The speaker for the session was Mr. Keyur Vaghela who is an Astro-Numerologist & Reiki Master by profession. The technical support for the webinar was provided by Dr. Milind Kulkarni. The Introduction ceremony was initiated by Faculty of Department of Bachelor of Management Studies, Ms. Suman Dhanani. Vice Principal and HOD Commerce, Ms. Lakshmi Iyer welcomed the speaker and emphasized on the need for being grateful and expressing the same. She stressed on the need to start each day with a positive thought and a grateful heart specially owing to the unrest due to the pandemic.

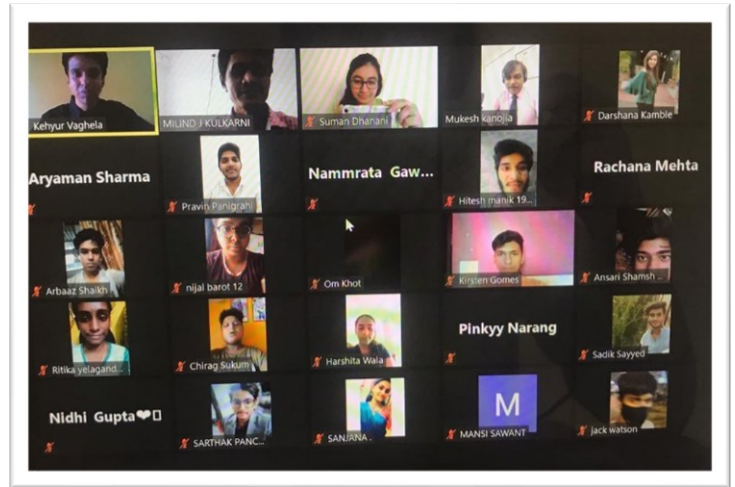

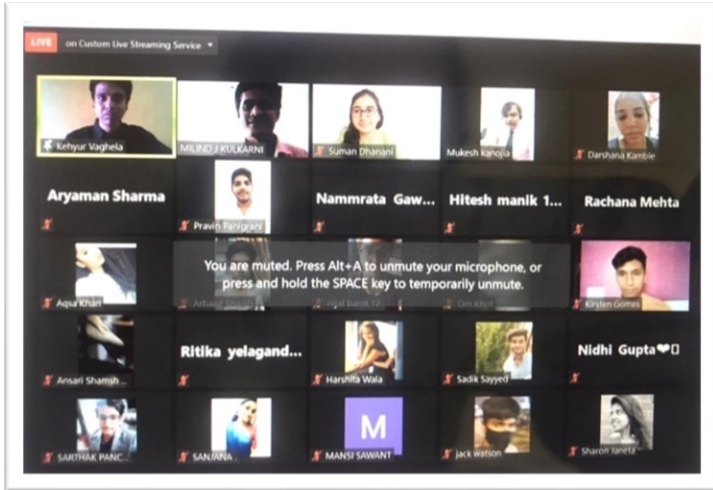

Ms. Rachna Mehta introduced the audience to the webinar and threw light on the topic. This was followed by Faculty of Department of Bachelor of Management Studies, Ms. Darshana Kamble introducing the speaker.

The session was then handed over to the speaker. Ms. Keyur Vaghela explained in detail the significance of the topic and made the audience/attendees dive in the beautiful thoughts which revived and nourished everyone’s heart and mind. He gave success mantras to the students on how to be successful in one’s life. He is an avid believer of the ideology that one must train their mind to see good in everything. He believes that happiness of one’s life depends on the quality of one’s thoughts. He reiterated that optimistic attitude and positive approach towards life is very important and ultimately is the key to success. He very elaborately explained the Trine of Expression and took questions at the end of the webinar.

Keyur Vaghela

Approximately 100 students attended the webinar. Feedback was taken at the end of the session and E-certificates were given to all the attendees. Faculty of Department of Bachelor of Commerce (Accounting and Finance), Mr. Pravin Panigrahi ended the session with a formal vote of thanks.

Social entrepreneurship in the institute premise for “E-WASTE MANAGEMENT”

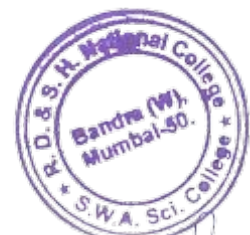

On 02nd February, 2022, a talk titled “Social entrepreneurship in the institute premise for “E-WASTE MANAGEMENT” was organized by the Department of B.Com (Accounting and Finance) of R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College in association with Institute of Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC) from 12.00 pm to 1.00 pm. The webinar was held on virtual platform Google Meet.

The speaker for the session was **Mr. Omkar Ganu**– Executive – Outreach and Alliance of Karo Sambhav Private Limited. The Introduction ceremony was initiated by the **Course Co-ordinator of Bachelor of Commerce (Accounting and Finance) and IIC Member Dr. Mukesh Kanojia.**

The formal introduction of the Guest Speaker Mr. Omkar Ganu was given by Ms. Kritika Soni, a student of First Year Bachelor of Commerce (Accounting and Finance).

The session was then handed over to the speaker Mr. Omkar. He shared his expertise regarding how we can effectively do the E-waste management. He informed about the consequences of E-waste on the environment if not properly recycled and degraded. Very nicely sir explained how we can effectively collect the e-waste from various sources and then we can deposit the same with the institutions like Karo Sambhav Private Limited so that they can recycle the e-waste in most effective manner without harming the environment. The objective of the session is to provide a responsible E-waste management solution to bulk consumers in India. The session serves the E-waste management needs of offices, government institutions, schools, universities, hospitals, hotels, retailers, banks or any other organizations..

Total 130 students attended the webinar. Feedback was taken at the end of the session. A formal vote of thanks was delivered by Mr. Kshitij Shrivastav, student of First year of Accounting & Finance. To conclude, the webinar was highly interactive, informative, inspirational and motivational. He focused on how to convert e waste in some useful products and convert into a successful business.

TO WHOMSOEVER IT MAY CONCERN

This is to acknowledge that Karo Sambhav conducted a webinar on responsible E-Waste Management held for R.D & S.H. National College and S.W.A. Science College on 02nd February, 2022 over the Online Platform Zoom.

Karo Sambhav representative Mr. Omkar Ganu facilitated awareness among our Students and Teachers on various aspects of e-waste management, circular economy, and leading a sustainable way of life.

Number of participants attended the session from our organization:

Approx. 165 participants.

Total strength of the organization: **Approximate - 6000**

Name of the Organization: **R.D and S.H. National College and S.W.A. Science College.**

Email signature: **rdnational1949@gmail.com**

Name of the Organizer: **Dr. Mukesh Kanojia**

Designation: **Assistant Professor and Course Co-ordinator of BAF**

Contact number: **9702271786**

Email ID : **Mukesh.kanojia@rdnational.ac.in**

Best Regards,

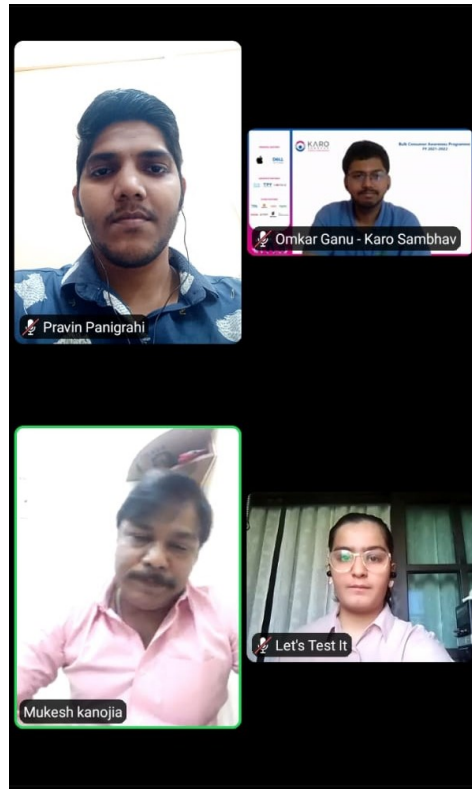

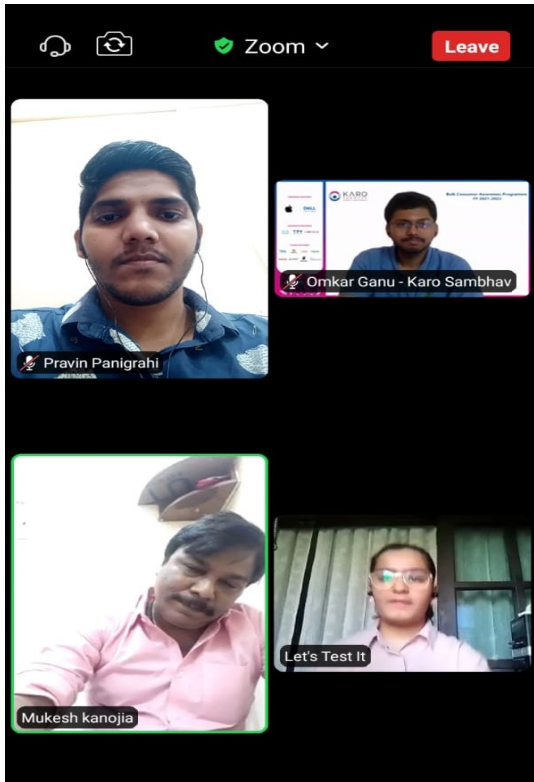

Nejaghtiani

Report: IIC Activity

Topic: Panel discussion with innovation and Start-up Ecosystem Enablers from the regional level

Date: Thursday, 28th July, 2022

Resource Person: Mr. Vivek Mogal (Assistant Manager- Maharashtra State Innovative society), Mr. Aadesh Suryarao (CEO at MU Ideas Foundation, University of Mumbai), Faculty form other institutions

Mode: Offline

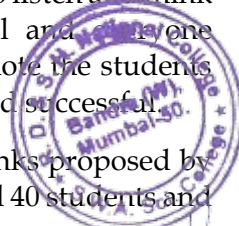

Total 40 students from undergraduate and post graduate participated in the discussion.

The **IIC (Institution Innovation Council) activity** was conducted on 28th July 2022 in the **Conference Room of R.D. and S.H. National College and S.W.A. Science College**. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee.

Mr. Vivek Mogal (Assistant Manager- Maharashtra State Innovative society), Mr. Aadesh Suryarao (CEO at MU Ideas Foundation, University of Mumbai) were invited for the panel discussion. Delegates from 5 different mentee institutions were also present to attend the program as the representative of mentee colleges. The mentees attended are Dr. Vandana B. Patil and Mrs. Tejshree Gulve from D.Y. Patil Institute of Engineering and Management-Pune, Mr. Shubham Jagtap from STES's Smt. Kashibai Navale College of Pharmacy- Pune, Ms. Harsha Narkhede and Dr. Sachin K. Bhosale from SMBT college of Pharmacy-Nashik, Dr. Geetanjali M. Litake and Mrs. Meenal Jabde from Modern college of Art, Science and Commerce-Pune.

With Mr. Vivek Mogal (Assistant Manager- Maharashtra State Innovative society), Mr. Aadesh Suryarao (CEO at MU Ideas Foundation, University of Mumbai) and faculty of other institution panel discussion were started. Our undergraduate and postgraduate student from second year and last year Physics, Computer Science, Information Technology were participated in this activity. First students presented their problem statement and the innovative idea they have thought/prototype they have made Infront of Experts, classmates and faculty. Everyone interacted and gave the inputs and suggestions to students regarding validating the problem statement and practical limitation of the idea they have presented. Expert gave the different type of approach to validate the problem and its solution. Even the other student who were not actually participated in activity got enthusiastic to listen and think about the various problem and their solutions. Session went very well and everyone suggested this type of session should be arranged on regular basis to promote the students for thinking on innovation perspective which will make them self-sustain and successful.

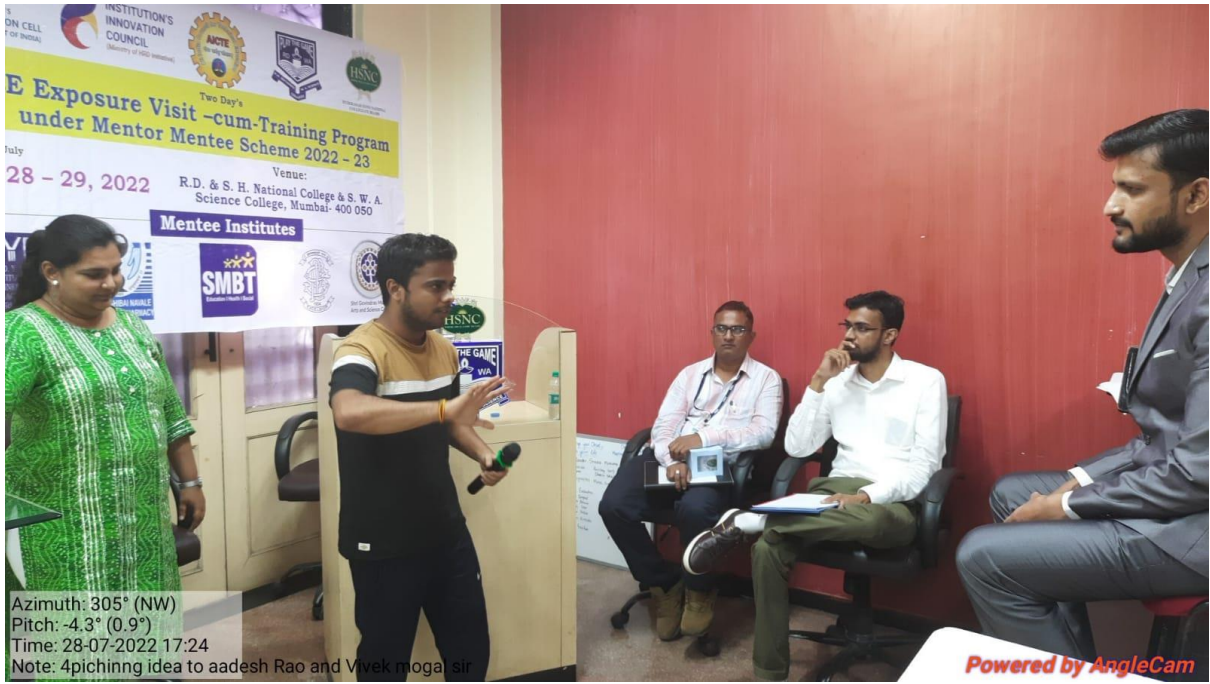

After very detail discussion we concluded the session with final vote of thanks proposed by President of Institution Innovation Council (IIC) Dr. Mona Kejariwal. Around 40 students and

N. Jagtiani

20 faculty members were present for this session and the feedback received from them was positive, they found the session to be productive and pragmatic. It was indeed a great experience and will have a lasting impact on all the participants.

Report –IIC Activity

29th August 2022

Topic : ANGEL INVESTMENT & VENTURE CAPITAL: FUNDING OPPORTUNITIES FOR EARLY STAGE STARTUP

Date: Aug 29, 2022

Time: 11:00am to 12:00 am

Mode: Online on Zoom

<https://us06web.zoom.us/j/88221807435?pwd=cTdubnNTeTNjY0lHcmxTRDNOVzdSZz09>

Beneficiaries: 100 participants

Guest Speaker: Hanisha Vaswani

The **IIC (Institution Innovation Council)** activity on topic **ANGEL INVESTMENT & VENTURE CAPITAL: FUNDING OPPORTUNITIES FOR EARLY STAGE STARTUP** was organised on Aug 29, 2022 at 11:00am to 12:00 am in the **online mode Zoom**. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC), Start up activity Coordinator Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC.

There were 100 Participants from different colleges including Faculty and students from 5 different mentee institutions along with our faculty and students attended the program. The program opened with Dr. Mona Kejariwal(President of IIC-RDNC) giving the welcome address to the participants, followed by introduction of the Guest speaker by Prof.Pravin Panigrahi (Convener, Internship Coordinator).

Introduction of the Speaker - Hanisha Vaswani:

Founder - Majority (April 2020- Present)

Supporting impact tech startups

- Advising impact startups like Coulomb.AI (EV Battery analytics tool, Y Combinator S 2021), E-Waste Social

(electronic waste marketplace), AI Genix (pest management devices for farmers), KleverKisan (supply chain tool to reduce post-harvest losses in fresh produce), Rang De (platform to connect Microfinance institutions to social investors)

- Mentoring startups at the Google.org Impact Challenge Accelerator for Climate 2021, Vodafone Institute F-Lane Accelerator 2020, NITI Aayog- United Nations India Investor Consortium (IC) for Women Entrepreneurs , 4YFN & UNDP Women Innovators Programme in the Arab Region
- Jury memberfor MIT Solve 2021 and 2022, ASU-GSV Cup 2021, and Maharashtra Startup Week 2021.

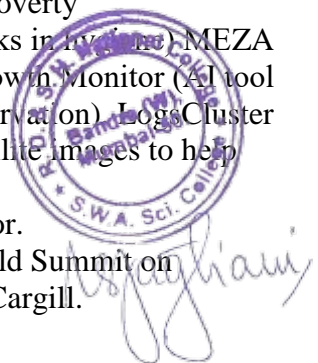

New Ventures Consultant – World Food Programme Innovation Accelerator (Oct 2018 –April 2020)

Identifying, supporting, and scaling startups across the globe that solve hunger and poverty

- Mentoring Accelerator investees including: NutriIndia (edTech to train school cooks in hygienic cooking), MEZA (AI-based handwriting recognition to digitise children's nutrition records), Child Growth Monitor (AI tool to detect malnutrition), Cloud To Street (Satellite-based Flood Mapping/ Earth Observation), LoggCluster (Mapping & Supply Chain). Numer8 OFish (App that uses machine learning on satellite images to help fishermen find fish), and SAM (AI tool to detect malnutrition).

- Leading Sourcing forthe Accelerator, finding high-impact teams to fund and mentor.

- Thought leadership for the Accelerator, speaking at global forums such as the World Summit on Information Society, and mentoring at bootcamps run with Google Launchpad, and Cargill.

Sr. Product Manager – TataCLiQ (Dec 2016 – Jul 2018)

Omnichannel marketplace. Part of India’s largest conglomerate, the Tata group.

- Evangelised performant sites. Built organisation-wide culture of optimising site speed, driving page load times down by >30% . Pitched PWA + AMP technology forthe revamped TataCLiQ site.
- Made data-driven UX recommendations for TataCLiQ desktop & mobile site, and TataCLiQ Luxury Android app.

Growth & Retention Head – Airtel Money / Airtel Payments Bank (May 2016 – Dec 2016)

Airtel Money was the only digital wallet available on feature phones, and hence a key player in financial inclusion.

Drove Usage & Retention for the Airtel Money apps and USSD channel. Increased monthly active user base by over 70% month-on-month; from a base of ~0.5mn to ~0.9mn, while being frugal with marketing budget.

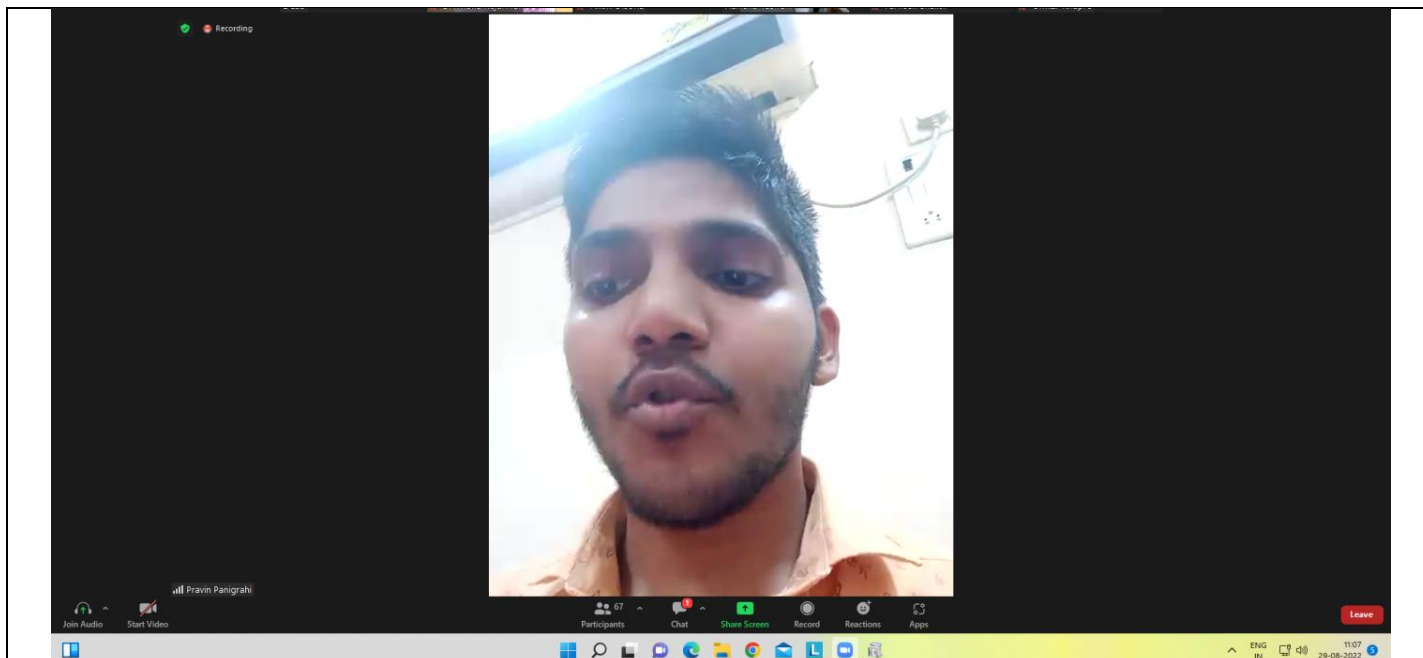

The floor was opened to our Guest Speaker, Hanisha Vaswani, introducing everyone to the concept of Angel Investment & Venture Capital: Funding Opportunities For Early Stage Startup and the wide scope of this field in relation to Entrepreneurship. The listeners were made aware of technological tools and resources over the Internet with various engaging examples (Life cycle of a Angel Investment, How VC chose Startups) to acquaint them with Funding Opportunities.

The final vote of thanks was proposed by Dr. Mukesh Kanojia, (Vice President IIC) after the question and answer (Q & A) session. The feedback received from them was positive, they found the session to be very informative. It was indeed a great experience and will have a lasting impact on all the participants.

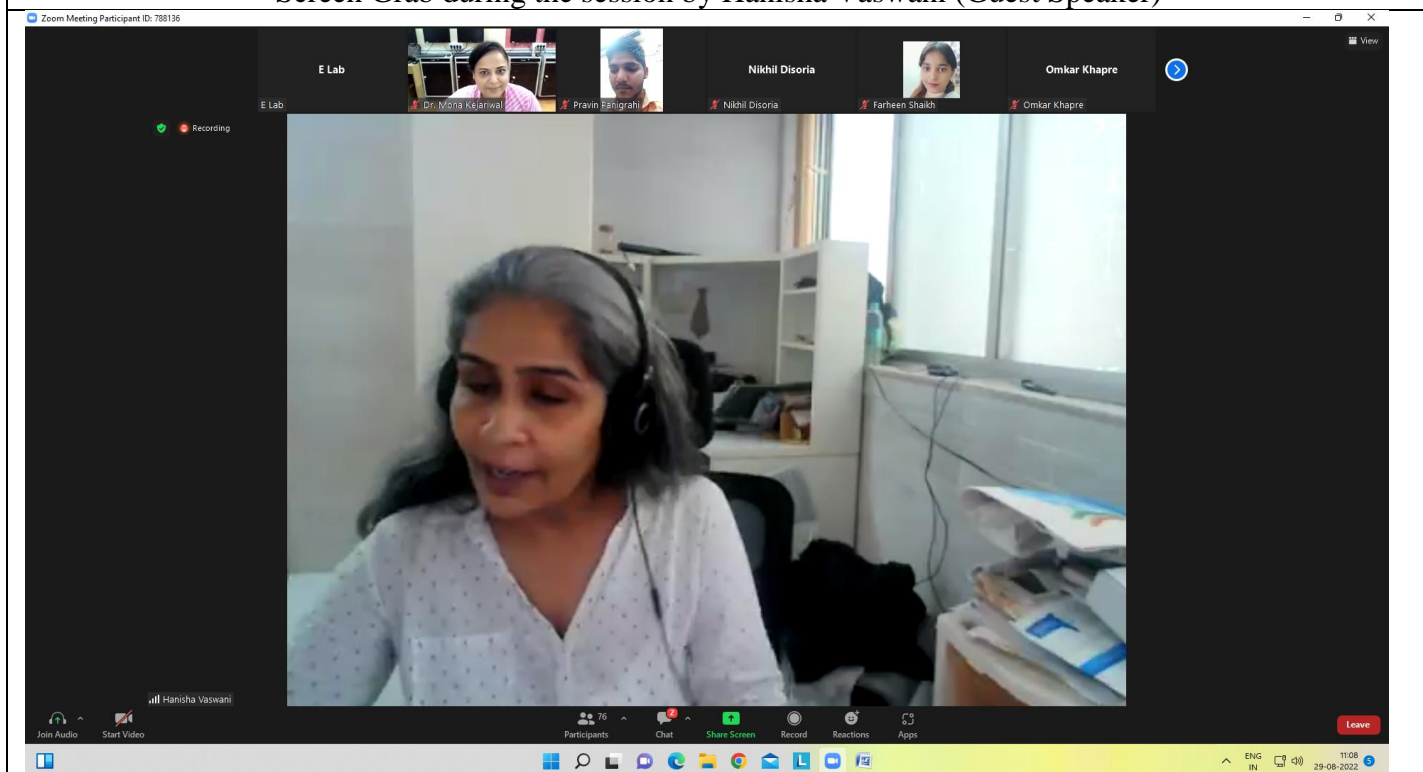

Welcome Address by President of Institution Innovation Council (IIC) Dr. Mona Kejariwal

**_Session on Accelerators/Incubation - Opportunities for Students & Faculties -
Early Stage Entrepreneurs**

The **IIC (Institution Innovation Council) Training Program** was conducted on 28th July 2022 in the **Conference Room of R.D. and S.H. National College and S.W.A. Science College**. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee. This was a two-day training program commencing on 28 July from 11:00 am with the inauguration.

After the inauguration ceremony which was done by Principal Dr. Neha Jagtiani and Mrs. Arti Kaji, Dr. Mukesh Kanojia Vice President of IIC, introduced Mr. Prasad Menon, CEO of CIBA and business acceleration. His session revolved around the role of incubators to boost the start-up ecosystem in India. Sir started the presentation by briefing the student about what is incubation cell? He explained what exactly is an incubator? And also guided the student on how they can approach the incubators with their innovation and ideas. The students realised the importance of youth in the country as though need for employment is increasing, employment generation is decreasing. One of the biggest take backs from the session was that we are the future, and the entrepreneurship is the need of the hour. Ideas and innovation are a two different concept and that though idea doesn't need dedication, to innovate the idea and bring it out in the world, one needs to put in hard work and focus. The students were encouraged and motivated about the whole idea on start ups and how though, the ride being a scary one, the government of India, has brought in many incentives and schemes to help them out. The incubator started at R.D. National College is our first step where we can bring our idea, also call the seed, and see it grow into a sapling and with time a plant

The final vote of thanks was proposed by Mr. Sahil Arora, student of TYBAF after the question and answer (Q & A) session. Around 100 students and 20 faculty members were present for this session and the feedback received from them was positive, they found the session to be

productive and pragmatic. It was indeed a great experience and will have a lasting impact on all the participants.

Report –IIC Activity

Aug 30, 2022

Topic : LEGAL ISSUES FOR STARTUP & IMPORTANCE OF INTELLECTUAL PROPERTY

Date: Aug 30, 2022

Time: 11:00am to 12:00 am

Mode: Online on Zoom

<https://us06web.zoom.us/j/83038752319?pwd=OGlGMnBrcXgwUUtEMUx0cXh1TkkrUT09>

Beneficiaries: 100 participants

Guest Speaker: Adv. Sanjay Kher

The **IIC (Institution Innovation Council) activity** on topic **LEGAL ISSUES FOR STARTUP & IMPORTANCE OF INTELLECTUAL PROPERTY** was organised on Aug 30, 2022 at 11:00am to 12:00 am in the **online mode Zoom**. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC.

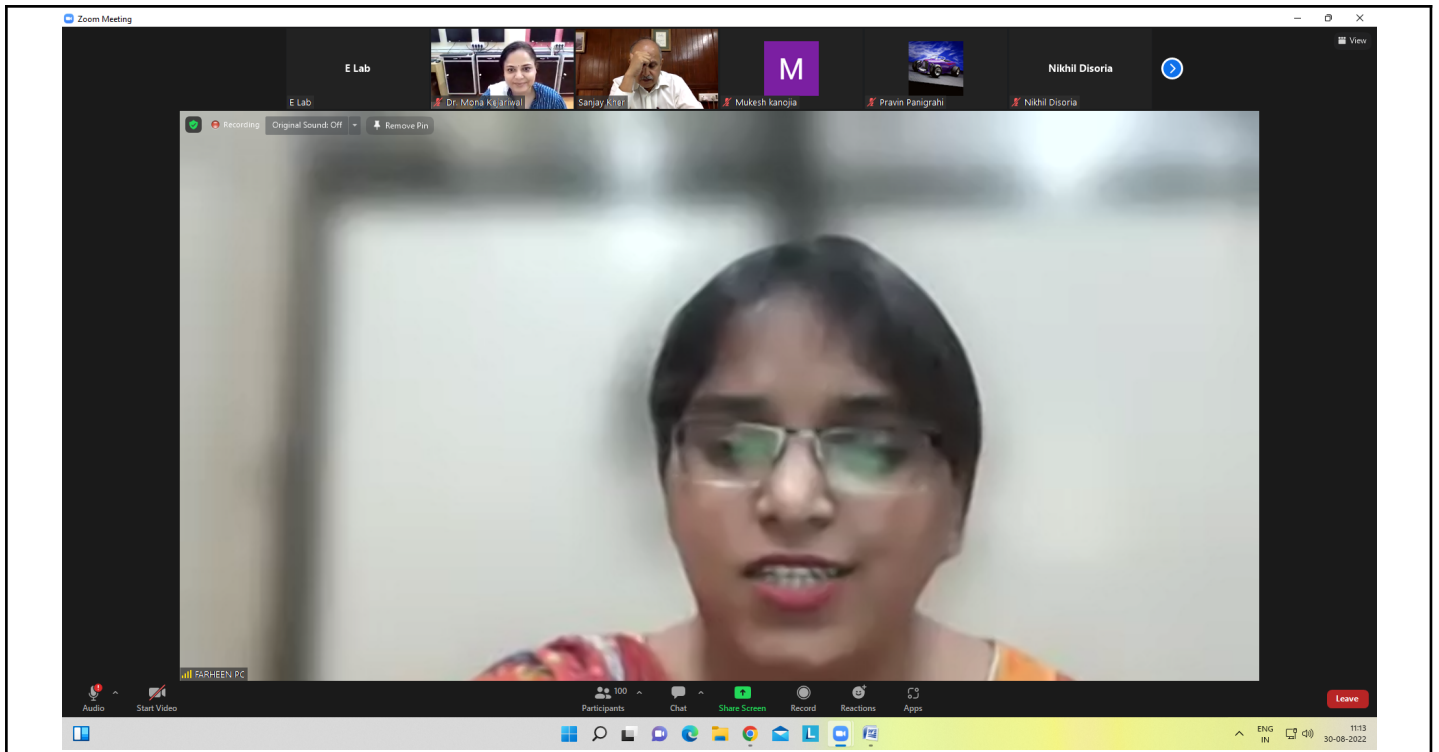

There were 100 Participants from different colleges including Faculty and students from 5 different mentee institutions along with our faculty and students attended the program. The program opened with Dr. Mona Kejariwal(President of IIC-RDNC) giving the welcome address to the participants, followed by introduction of the Guest speaker by Prof. Farheen Shaikh (Innovation Activity, NIRF & Social Media Coordinator).

Introduction of the Speaker - Advocate Sanjay Kher: Advocate Sanjay Kher is a practicing lawyer of the Bombay High Court, specializing in intellectual property laws. Apart from the High Court at Mumbai, he also appears in Courts all over the country. Alongside his rich experience in the Indian Courts, Mr. Kher has been particularly involved in contentious patent and copyright litigations and prosecutions which have required him to handle matters in countries such as UK, Germany, Peru, etc. Mr. Kher has also handled Indian and international patent litigations on behalf of Indian, as well as foreign clients; all of which has given him rich and extensive experience in handling international IPR matters, particularly patent and copyright matters.

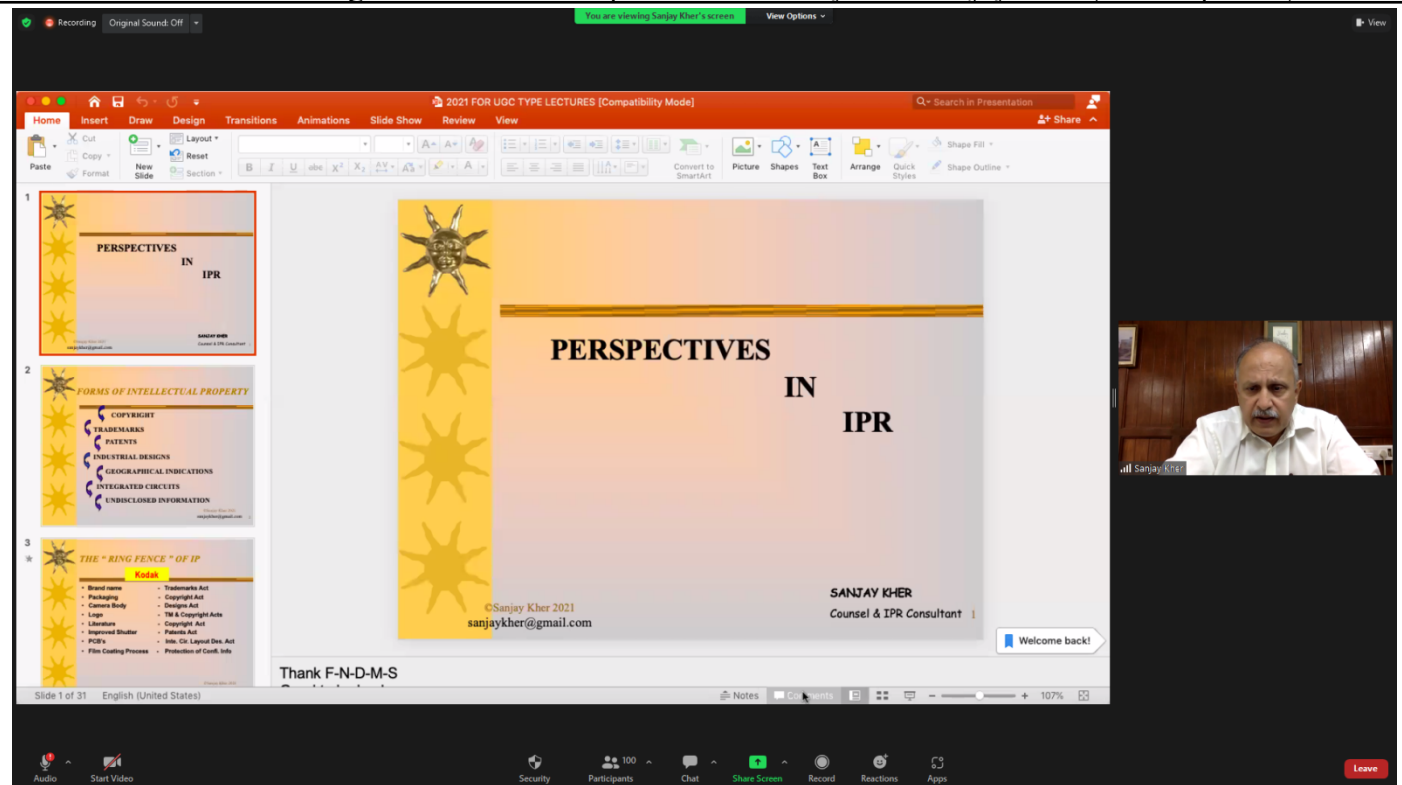

As a lawyer, Mr. Kher brings to the profession an extremely rich business and managerial background. As a result of his management background in Finance and his business experience in Marketing, Mr. Kher brings to his legal practice a practical and commercial approach. On the management & business side Mr. Kher is ex-ITC Ltd. Mr. Kher is a much sought speaker at various institutes, seminars and conferences. Some the institutes/conferences/seminars with which he is or has been associated with are:

- Franklin Pierce Law College – USA
- Asian Patent Attorney's Association (APAA)
- I.I.T (Indian Institute of Technology - Powai)
- V.J.T.I. – (Victoria Jubilee Technical Institute – Mumbai)
- NASSCOM
- Institute of Intellectual Property Law Studies
- Academy of Intellectual Property Law Studies
- INSTITUTE OF COMPANY SECRETARIES
- N.I.T.I.E. (National Institute of Industrial Engineering)
- INDIAN CUSTOMS TRAINING INSTITUTE
- Godrej Industries
- Mahindra & Mahindra
- Aditya Birla Group

Report on One day visit programme to Centre for Incubation and Business Acceleration (CIBA) - Navi Mumbai

On 29th July 2022, the entire team of IIC of R. D. National college and all the delegates from mentee institutes went for the visit of Centre for Incubation and Business Acceleration (CIBA) situated at Vashi, Navi Mumbai. After reaching there, we received a very warm welcome by the entire team of CIBA centre. Firstly, we went for a round visit to experience the infrastructure facility of the centre. The infrastructure and the environment for entrepreneurs was fabulous. All facilities were there which are required by a person which includes personal space for physical demonstration of ideas, sound proof calling booths, resourceful library and canteen.

The most important thing which we noticed was that everything and everyone was very much disciplined which is the best quality an entrepreneur has. After the facility visit, we gathered at a conference hall for a session. Mr. Prasad Menon - CEO of CIBA, brief the session and explained us about the facilities provided by them to the new innovative ideas and young entrepreneurs. He explained the whole process about how the applications for grants are screened and how they are selected. The selected applicant has to present their ideas to a group of professionals either online or offline through a presentation and lastly how it is continued further. We saw a live example of the rising entrepreneur whose startup name was Spyware (Dealing with the deletion of websites which are illegal in India). He told us about his whole journey which was very encouraging for all of us. Lastly, after the end of very informative and productive session, a token of appreciation was given to Mr. Prasad Menon by Dr. Mona Kejariwal, President IIC and Dr. Mukesh Kanojia, Vice President IIC. Final vote of thanks was proposed by Mr. Pravin Panigrahi - Convener of IIC followed by high tea and refreshments.

Pravin Panigrahi

Report on Bizventure

On April 4th, Bizventure 2022 (B.B.I.F.), an intra-collegiate event of the Department of Bachelor of Management Studies took place. Bizventure is a platform given to the B.M.S student to showcase the entrepreneurship skills and creativeness. Business plans, Ads and Social cause Campaigns were showcased by the students of BMS Department.

The day started with the business plans event hosted by Alisha Patkar and Nethra Nair. The Judges for the event were Mr. Vivek Shetty and Mr. Niranjana Bhawnani. Over 20 business plans were presented and all the participants received constructive feedback from the judges.

The second event of the day was Ad & Social Cause Campaign, which focused on the students present the astounding advertisements made by them, to our esteemed judges. Raj Karbhatkar and Aryan Kadam our host for the ad campaign started the event by inviting our judges on the stage. Mr. Nitin Munot and Miss Vriti Khawani were the judges for the second event.

They gave constructive feedback and suggestions for improvement to the students. The groups presented their ads to the judges and the audiences explaining about them. As the event came to an end, Coordinator Ms. Nikisha Kukreja & Faculty, Ms. Suman Dhanani invited the judges to the stage to thank them and asked to share a few words with the audience.

Finally, the announcement of the winners for both the events were done. For the business ideas event, first place was secured by group 3, group 21 got the second place and third place was taken by group 17. Group 5 was the first prize for social cause event, second place secured by group 20 and group 3 was third. For ad campaign, group 7, group 10, group 21 were first, second and third respectively.

The event ended on a great note and it was truly an insightful one.

Report of Session on “Out of the Box thinking for Problem Solving”.

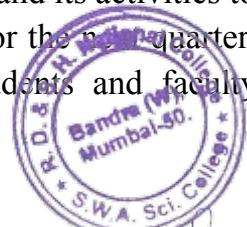

On 28th June, 2022, Tuesday, an enriching seminar was joined by the team members of Institution Innovation Council Cell (IIC) of R.D. National College at 2.00 pm. Seminar was organized by MHRDs Ministry of Education MoE’s innovation Cell (Government of India). Students from various streams such as BAF, BMM, BSc and BMS were a part of it. The session was conducted under the guidance of Dr. Mona Kejariwal, President of IIC and Dr. Mukesh Kanojia, Vice-President of IIC.

The Session begins with the introduction of the Guest Speaker Prof. V Kamakoti – Director, IIT madras. "If we actually think the way the world is thinking the chance that we will hit with something very novel and something different, something disruptive is going to be very less" said professor V.Kamakoti in his seminar 'Out of The Box Thinking for Problem Solving'. The seminar was in online mode via Zoom and also broadcasted on Youtube. Students of our college attended the seminar in room 17 through video conferencing mode.

In his seminar they talked about their four-level course naming ‘Out of Box Thinking’ which is an initiative by IITM, Pravartak Technologies Foundation to Nurture Young Minds. IITM Pravartak is an NPO by IIT Madras.

He highlighted the importance of critical thinking in problem solving which is integral part of entrepreneurship. According to professor the brain needs to be trained to think critically, for that maths is the optimal way. Activities in course like ‘Number Builder’ made students think in a way and surprised us with ways of answering that weren’t conventional. The registrations have begun at July 13.

In the end, students were invited warmly for joining IIC. Number of beneficiaries were 35. President of IIC – Dr. Mona Kejariwal, gives an insight about IIC and its activities to all the students and motivates them to participate in huge numbers for the next quarter. Vice-President – Dr. Mukesh Kanojia formally thanks all the students and faculty members for attending the session.

Mona Kejariwal

Report – Celebration IIC Activity

16th August, 2022

Celebration: 75 years of independence

Topic : Rangoli competition

Theme: Celebrating innovation in new India

Date: August 15th , 2022

Time: 7 am to 12 noon

Mode: Offline, College Campus

Beneficiaries: 20+ students

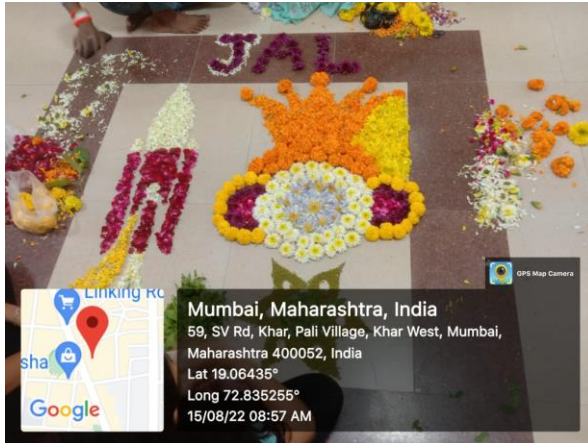

Introduction: 75 years of independence were celebrated on 15th august 2022. On this auspicious occasion the rangoli competition were arranged on the theme of “Celebrating innovation in new India”.

Activity: R. D. & S. H. National College arranged various activity to celebrate 75 years of independence in coordination with house system, IIC and DBT Star Scheme. Under IIC we arranged the rangoli competition depicting the innovation in independent India over 75 years by our under graduate students of 5 houses (Prithvi, Aakash, Jal, Vayu, Agni). Student were given instruction to make the group of 4 students and rangoli should be made in one-by-one meter area in time span of 1 hour. Theme should be strictly followed. Student made the rangoli were in eco-friendly way using flowers and leaves instead of any colours and powder. Student enjoyed participating in this competition. Were the made the rangoli depicting rocket science, atomic energy, control over covid pandemic, biological and nonbiological sciences, etc. Review was done by college senior teachers. Certificate were given to winners and participants.

All the student and faculty of the college enjoyed the activity, students were enthusiastic to depict the different idea, innovation through the rangoli.

attached are some of the glimpses of poster, rangoli and certificate.

Report - UGC_HRDC FACUTLY INDUCTION PROGRAMME

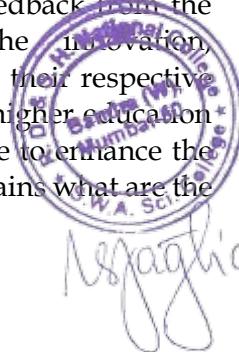

Topic : Innovation and entrepreneurship ecosystem: a case study

R.D. and S.H. National College and S.W.A. Science College in collaboration with UGC_HRDC organised faculty induction programme by from 16th May, 2022 to 16th June, 2022 in online mode. Under this programme the session on the topic **Innovation and entrepreneurship ecosystem: a case study** was arranged on 1st June, 2022 at 10.00 am to 11.30 am in the **online mode**. This session was arranged to speared the awareness of IIC and importance for innovation and entrepreneurships.

This program was organised under the guidance of Director, UGC_HRDC, Dr. K. Shanthi, Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee.

Dr. Mona Kejariwal delivered lecture on Innovation and entrepreneurship ecosystem: a case study. Dr. Mona Kejariwal is Ph.D., FSoE and Associate Professor in RD & SH National College, Bandra, Mumbai, India. She is the recipient of Green Crusader Award, Authored three books in medicinal botany for Post graduate M.Pharma students in Pharmacognosy and published three patents recently. She has been actively guiding Ph.D. students in the field of Antioxidants, phytochemical profiling of Medicinal plants, Antimicrobial activity, plant genomics, Model Plant Systems. She is a consultant for private Herbal cosmetics company for formulation development and testing and published twenty research articles in peer reviewed reputed journals in the field of Potable Water testing, phytomedicines, Waste Water treatment, Plant Model systems, Phycology, Bioactive Nano-materials and Antioxidants. To augment undergraduate creative thinking, experimental skills and strengthen the research infrastructure in college at undergraduate and postgraduate level working diligently as Coordinator of DBT STAR College Scheme and Principal Investigator of DST FIST PG level grant. She has given lectures at international and National Conferences, presented papers and arranged International and National Conferences, Colloquium and Symposium as an organizing Secretary. She is working as President of MHRD's Institute Innovation Council (IIC), NIRF Nodal Officer, NISP Coordinator, handling Mentor-Mentee and KAPILA scheme at her institute. The profile and credential of our guest speaker, was introduced by Dr. Seema Shinde. Faculty from 33 different institutions all over India including Himachal Pradesh, Assam, Patna, Nanded, West Bengal, etc. were participated

After the welcome address by Principal Dr. Neha Jagtiani , Dr. Seema Shinde IIC member, introduced Dr. Mona Kejariwal. Mam started the session by taking the feedback from the participants about their institution initiative for encouraging the innovation, entrepreneurship and start-ups mindset among the students and faculty in their respective institution and the need of Innovation and entrepreneurship ecosystem in higher education institutions. Then mam gave a detail of all the government policies, scheme to enhance the innovation and entrepreneurship among the students of HEI. Mam also explains what are the

different measures and steps can be taken to start these implementation and executions can be done to inculcate this innovation and research mind set in the students and faculty.

The final vote of thanks was proposed by Mitali Barman, one of the participants after the question and answer (Q & A) session. Around 33 faculty members were present for this session and the feedback received from them was positive, they found the session to be very informative. It was indeed a great experience and will have a lasting impact on all the participants. List of the participants is as follow along with the time table.

Report - UGC_HRDC FACUTLY INDUCTION PROGRAMME

Topic : Role of Innovation and Entrepreneurship In HEI

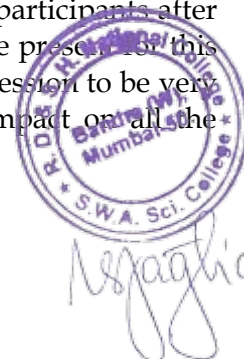

R.D. and S.H. National College and S.W.A. Science College in collaboration with UGC_HRDC organised faculty induction programme by from 16th May, 2022 to 16th June, 2022 in online mode. Under this programme the session on the topic **Role of Innovation and Entrepreneurship in HEI** was arranged on 8th June, 2022 at 2.00 pm to 3.30 pm in the **online mode**. This session was arranged to speared the awareness of IIC and importance for innovation and entrepreneurships.

This program was organised under the guidance of Director, UGC_HRDC, Dr. K. Shanthi, Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee.

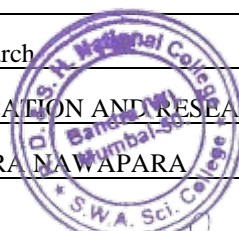

Mr. Dipan Sahu, Asst. Director, AICTE, New Delhi were invited to deliver lectures on Role of Innovation and Entrepreneurship in HEI. Mr. Dipan Sahu is currently serving as Asst. Innovation Director at the Innovation Cell of Ministry of Education housed at All India Council for Technical Education (AICTE), New Delhi. He is leading the formulation and nationwide implementation of various national policy initiatives towards institutionalization and benchmarking innovation practices in Higher Educational Institutions (HEIs) such as National Innovation and Startup Policy (NISP), Atal Ranking of Institutions on Innovation Achievement (ARIIA), Institution's Innovation Council (IIC), etc. Mr. Sahu is an enthusiastic policy entrepreneur and practitioner actively contributing to the growth of the Indian start-up ecosystem. His work engages a variety of ecosystem enablers and successfully established a scalable, and sustainable model of the Institution's Innovation Council (IIC) network to foster I & E culture in more than 3,000 HEIs which directly influences the career choice of 4 million students. The profile and credential of our guest speaker, was introduced by Dr. Mona Kejriwal. Faculty from 33 different institutions all over India including Himachal Pradesh, Assam, Patna, Nanded, West Bengal, etc. were participated

After the welcome address by Principal Dr. Neha Jagtiani , Dr. Mona Kejariwal President of IIC, introduced Mr. Dipan Sahu. Sir introduce the need of Innovation and entrepreneurship ecosystem in higher education institutions. Then sir gave a detail of all the government policies, scheme to enhance the innovation and entrepreneurship among the students of HEI. Sir also explain how the implementation and executions can be done to inculcate this innovation and research mind set in the students and faculty.

The final vote of thanks was proposed by Shmilona Vinay Jain, one of the participants after the question and answer (Q & A) session. Around 33 faculty members were present for this session and the feedback received from them was positive, they found the session to be very informative. It was indeed a great experience and will have a lasting impact on all the participants. List of the participants is as follow along with the time table.

Sr. No.	Applicant Name	College/ Institute Name
1	Chetan Ramesh Patil	Rishi Dayaram and Seth Hassaram National College and Seth Wassiamull Assomull Science College
2	Kishor Tribhuvan Chauhan	JVM's Mehta Degree College
3	Raju Srawan Moterao	Saraswati College of Education, Kinwat, Dist. Nanded

REPORT ON MENTOR & MENTEE MEET –SMBT COLLEGE NASIK VISIT

On 24TH August, 2022, as a Mentor institute R D & S H College organized one day visit under Mentor –Mentee Scheme funded by AICTE to SMBT College of Pharmacy at Nasik to evaluate Quarter wise performance activities. The visit comprises of IIC team of R D & S H National Dr.Mona Kejriwal -IIC President, Dr.Mukesh Kanojia –IIC Vice President, Mr.Nikhil Disoria – IIC Member. The Team of IIC reached at 10.00 am at Mentee institute. We received warm welcome by the team of Mentee institute Principal Y.V.Ushir with Dr.Sachin Bhosle, Dr. Harsha Narkhade

The session was imitated by Dr.Sachin Bhosle by exhibiting & highlighting the activities conducted in various quarters. Dr.Harsha Narkhade explained and emphasis the relevant activities under IIC. The healthy and Productive discussion was conducted by the mentee team.

Dr.Harsha Narkhade introduced president Dr.Mona Kejriwal for further proceeding of the meeting. Dr.Mona shared her expertise about the significance activities which pertains under IIC Domain. Apart from she motivated the members of IIC as well students to inculcate research culture, innovation.

Dr. Mukesh Kanojia & Mr. Nikhil Disoria explained about the significance of Entrepreneurship, innovation, cooperation, team building, coordination among students and faculty members as a mentor guide. Visited college campus of various department followed by Lunch at 12.30 noon.

There was a productive highly interactive session with students of SMBT College. The vote of thanks was proposed by Dr.Harsha Narkhade. The felicitation was done by team with the innovative token of appreciation (handmade Momento with flowers and Napkins).

Eventually the visit was fruitful and achieved with all the objectives.

REPORT ON SIH GRAND FINALE

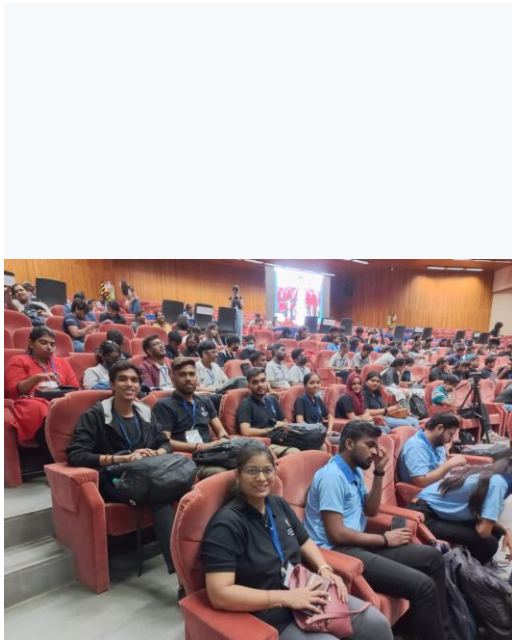

Place :- Pandit Deendayal Upadhyay Energy University (PDEU)

Time :- 25/08/2022 – 26/08/2022

-----SMART INDIA HACKATHON

Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. The first four editions SIH2017, SIH2018, SIH2019 and SIH2020 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India.

On 24/08/2022 our Team HITECH PHANTOM left for SIH Grand Finale to our nodal center PDEU, Gandhinagar, Gujrat. We reached our nodal Centre by 8:00 pm on 24/08/2022, after our registration, we were provided with our accommodations. After some time we started with testing and reviewing our project.

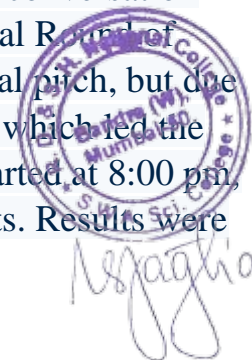

Asghar

On 25/08/2022 after breakfast we assembled at the venue for the Local Inauguration. We were introduced with the dignitaries, they were felicitated by the university and speech was given by them. They motivated and encouraged us to give our best, in the respective problem statements. After our Local Inauguration, Central Inauguration was held, and we communicated with other nodal center's. And we were addressed by our Hon. Prime Minister. Narendra Modi at 8:00 pm. On 9:30 am our official Day 1 for the Hackathon Started. We started preparing with our project for the 1st mentoring/training round which started at 1:00 pm. In the training session we presented our basic innovative idea of the projects, and they suggested us some new ideas/upgradations which could be done in our project. Post Lunch, at 7:30 pm our 1st round of Evaluation took place. In the Evaluation we presented our 1st Module of the project, and also presented our new ideas, which we were planning to update in our project. The Judges were impressed by our ideas and approved them to implement the modules in our project. Our Mentor Mrs. Manisha also helped us to pitch new ideas and reviewed our project. After dinner, we again started with our implementation on the project, the process lasted till 3:00 am. But we continued with our project overnight.

On 26/08/2022 after Breakfast, our 2nd round of Evaluation took place at 9:00 am, we presented our ideas which we implemented overnight. The Judges agreed with the ideas, and asked to work further on our project. By 12:00 pm we were provided with a 1 hour of time to have a conversation with our Judges/mentors regarding the project. At 4:30, Final Round of Evaluation started. In which we were asked to show our final pitch, but due to lack of time we were not able to implement our final UI, which led the judges to point out our mistake. The Valedictory session started at 8:00 pm, for which we were excited as well as nervous, for our results. Results were

announced, but we couldn't make it. Our Mentor Mrs. Manisha consoled, and encouraged us that we did a great job. We were sad with the results, but were also proud with ourselves to make to the Grand Finale of SIH, which is a nation-wide platform. We learned a lot from this journey, and will remember the experience for lifetime.

We left the premise of PDEU on 27/08/2022 with lot of informative and interesting experiences and also learned new aspects of innovating technologies. We Team HiTech Phantom are honored to be one of the three teams (Team Generic Genius, Team Nuzion) to represent our college at SIH.

Manisha

The first four editions SIH2017, SIH2018, SIH2019 and SIH2020 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India.

SIH 2022 brings the next generation evolution by inclusion of new methodology to inculcate the culture of startup and innovation ecosystem across different age groups i.e. are as follows: **SIH Junior(Jr) and SIH Senior(Sr)**. We participate in SIH Senior(Sr) that further divided in Hardware Edition and Software Edition. Our Information technology student is finalist **for Hardware Edition** our **problem statement is "Finding impact of online games"**.

Asghar

DAY 1

On 24/08/2022 our Team **NUZION** reach SIH Grand Finale to our nodal center **TPCE nodal centre,Warangal**. We reached our nodal Centre by 11:15 am on 24/08/2022, after our registration, we were provided with our accommodations and schedule of program and our I-Cards for same. After some time we started with testing and reviewing our project.

DAY2

On 25/08/2022 after 7:00 am to 7:30 am breakfast we assembled at the venue for the Local Inauguration at nodal center. We were introduced with the dignitaries **Hon'ble Education Minister ,Shri Dharmendra Pradhan**, they were felicitated by the university and speech was given by them. They motivated and encouraged us to give our best, in the respective problem statements. After our Local Inauguration, Central Inauguration was held. From 9:33 a.m. students begin coding the **first round of training session start from 11:30 am to 1 p.m.** Ministry /Organization experts, 3 minimum judges panel observe and give suggestion on problem statement. After lunch at 1 p.m. **First round of evaluation** done by 3 minimum judges for 7 minutes including 4 minutes of presentation. Then team resume with coding .We were addressed by our **Hon. Prime Minister. Narendra Modi at 8:00 pm.** On 9:30 am our official Day 1 for the Hackathon Started.

Asghar

After dinner around 9 p.m. students try hard on the suggestion get by Ministry /Organization experts to improve project. Student work overnight for same to achieve experts preferable output.

DAY 3

On 26/08/2022 12:00 pm to 1:30 am Second round of training starts 5 to 7 minutes per team then at 1 a.m to 1:30 p.m Recreational Activity starts and from 1:30 a.m. students continuing coding. At 3 a.m. they serve us breakfast after Breakfast, our 2nd round of Evaluation took place at 9:00 a.m.-10 a.m.

Our team is choose for Power Mentoring and conduct session in between 12 pm and 12:45 p.m. after lunch students continue with coding .At 5:30 pm students stop coding as per given schedule. At 5:30 pm to 7 p.m. Final round of Evaluation done with minimum 3 judges per panel, evaluating implementation of ideas. One of judge like our implementation and like to work further.

Our team got certificates and small trophies of appreciation form nodal center with dignitaries. The Valedictory session started at 8:00 pm, for which we were excited as well as nervous, for our results. They declare result but we

couldn't make it .We were also proud with ourselves to make to the Grand Finale of SIH, which is a nation-wide platform. We learned a lot from this journey, and will remember the experience for lifetime. After result announcement they nodal center arrange small cultural program to refresh mode of all teams.

Aspaghiani

DAY 4

We left the premise of PDEU on 27/08/2022 at 9 p.m. with lot of informative and interesting experiences and also learned new aspects of innovating technologies .Our Team Nuzion are honored to be one of the three teams (Team Generic Genius, Team HiTech Phantom) to represent our R.D.National college at SIH.

SIH GRAND FINALE REPORT

DATE: 23/08/2022 – 28/08/2022

PLACE: Vignana Bharathi Institute of Technology

The Smart India Hackathon aims to provide students throughout the country with a forum to address some of the most important issues we encounter daily and foster a culture of product innovation and a problem-solving attitude. The first four seasons, SIH2017, SIH2018, SIH2019, and SIH2020, were incredibly successful in encouraging young minds, particularly engineering students from all around India, to think creatively and beyond the box.

R.D. AND S.H. NATIONAL COLLEGE AND S.W.A. SCIENCE COLLEGE's team was Generic Genius they gave solutions to two problem statements which were on Bulk SMS and Digital Payment in which bulk SMS solution comprises the fundamental concepts of receiving and sending bulk SMS through a personal computer. In essence, the initiative aids time-conscious people who are busy. Users will be able to interact with us easily.

The Digital Payment problem aimed to eliminate operator overcharging. It was given by the Ministry of Electronics and Information Technology (MEITY). The solution we proposed was a Payment Interface with Some implemented measures to curb operator overcharging, including some high-end Technologies. This problem statement was a real-life-based problem.

The Problem for which they got selected as a digital payment solution and then they started developing the Solution.

On 23rd August the team headed to their nodal center Vignana Bharathi Institute of Technology, Hyderabad.

On August 24th and were lodged at their center hostel. They kick-started the competition by debugging the project and put in their appearance at the Inauguration the next morning followed by tons of hectic Coding for

Aspaghiani

the project and two rounds of evaluation and mentoring by top mentors in India. They carried out Overnight coding and went under the third round of evaluation and mentoring.

The team eagerly waited for the result declaration and their hearts started pounding faster when the time for results came closer. At 7:30 pm the results were declared and the team was disheartened that the results were not in their favor yet their mentor Mrs. Rachel. John consoled them as well as motivated them to participate with a bang next year.

The team returned with not just tons of experience but baskets of memories to look back on and not to forget the immense pride in their college's name.

Report on Session - Is Cryptocurrency - Roadmap for Entrepreneurship"

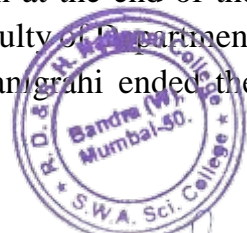

On 08th August, 2022 a webinar titled **"Is Cryptocurrency – Roadmap for Entrepreneurship"** was organized by R.D. & S.H. National College of Arts and Commerce & S.W.A. Science College, Department of Bachelor of Commerce (Accounting and Finance) (BAF) and Institution Innovation Council (IIC) Cell from 10 am to 11am in the conference room.

The speaker for the session was Mr. Ali Akbar Hatim who is a Co-founder & Vice President of Strategy SIMWOCO Private Limited. The Introduction ceremony was initiated by Vice-President of IIC & Course Co-ordinator of B.Com (Accounting & Finance), Dr. Mukesh Kanojia. He welcomed the speaker and emphasized on the need for being grateful and expressing the same. Mr. Sahil Arora, student of third year of B.Com (A & F) introduced the speaker and threw some light on the topic.

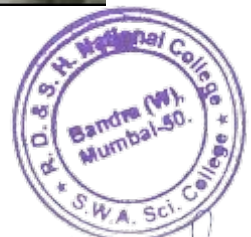

The session was then handed over to the speaker. Mr. Ali Akbar Hatim explained the basic skill sets required to become an entrepreneur. He believes that it is important to have a good understanding about the basic laws, rules and regulations that are applicable for the smooth running of the business. He explained all the legal procedures and various documentations procedures required for start-up business. He then motivated the students to sharpen their skills and encouraged them to move towards entrepreneurship.

He explained about the growth of cryptocurrency and blockchain and how they are skyrocketing for several year. He believes that more and more people are investing in cryptocurrency each new day and hence the sector has seen innovations like cross-border payments, real time operating system, NFT marketplaces, identify management systems and more. He concludes the session by giving one success mantra to all the budding innovators that adopting cryptocurrency can give businesses wider access to capital and liquidity pools which thereby drastically increases the investment.

Approximately 100 students attended the session. Feedback was taken at the end of the session along with question-and-answer round. Convenor of IIC and Faculty of Department of Bachelor of Commerce (Accounting and Finance), Mr. Pravin Panigrahi ended the session with a formal vote of thanks.

Topic: Bits to Billions: Developing an Entrepreneurial Mindset.

Under the **IIC (Institution Innovation Council) activity** was conducted on 28th July 2022 in the **Conference Room of R.D. and S.H. National College and S.W.A. Science College**. This program was organised under the guidance of Principal Dr. Neha Jagtiani and President of Institution Innovation Council (IIC) Dr. Mona Kejariwal, Vice President Dr. Mukesh Kanojia, convener, co-convener and all the members of IIC and research committee.

Delegates from 5 different mentee institutions were also present to attend the program as the representative of mentee colleges. The mentees attended are Dr. Vandana B. Patil and Mrs. Tejshree Gulve from D.Y. Patil Institute of Engineering and Management-Pune, Mr. Shubham Jagtap from STES's Smt. Kashibai Navale College of Pharmacy- Pune, Ms. Harsha Narkhede and Dr. Sachin K. Bhosale from SMBT college of Pharmacy-Nashik, Dr. Geetanjali M. Litake and Mrs. Meenal Jabde from Modern college of Art, Science and Commerce-Pune.

The event started with the wonderful presentation by Ms. Meena Desai, DEAN, ATLAS SKILL TECH University who guided the students on how to develop an entrepreneurial mindset. The topic was "BITS TO BILLIONS: DEVELOPING AN ENTREPRENEURIAL MINDSET. The speaker exclaimed students to enter into Entrepreneurship. She also emphasizes students to take internships. She encouraged students to participate in competition related to business pitching in order to develop knowledge and practical experience. She mentioned the reasons behind the need of Entrepreneurship in today's world, also the speaker entitled the importance of entrepreneurs. The speaker highlighted various government schemes that encourage Start Ups. She informed the students about incentives provided by Government on Incubation and Innovation. She gave an example of - start-up India, Invest India, NITI Aayog etc. The speaker brief students on Key objectives to promote & support establishment of Innovation driven enterprises in Maharashtra. The session enriched on Blockchain in Governance - Print2B Tech Pvt Ltd & LegitDoc.

The final vote of thanks was proposed by Ms. Purvi Vora, student of SYBAF after the question and answer (Q & A) session. Around 90 students and 20 faculty members were present for this session and the feedback received from them was positive, they found the session to be productive and pragmatic. It was indeed a great experience and will have a lasting impact on all the participants.

Litake and Mrs. Meenal Jabde from Modern college of Art, Science and Commerce-Pune.

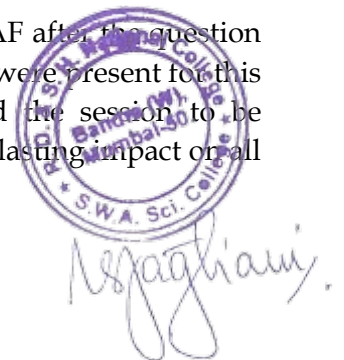

Mr Pravin Panigrahi - Convener of IIC, introduced the guest speaker Mr Vivek Mogal.

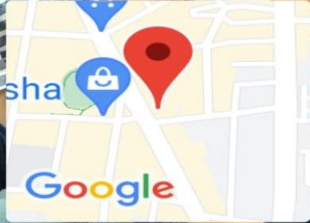

Sir has completed his masters in Advanced Computer Science and IT management from University of Manchester, UK and has done his bachelors in Computer science from University of Pune. Giving a short briefing about his past working experience, Vivek sir was Incubation manager and Tech head in Deshpande Start ups, karnataka. He was the Tech lead and Incubation manager at Lovely Professional University, Punjab. He operated FoodTech startup in Manchester for 4 years and was a graduate entrepreneur for 2 years in UK, ranking among the top 10 in the country. Sir is currently working at Maharashtra state innovation Society as the assistant manager.

Mogal sir, in his presentation talked about "the role of government in fostering innovation and entrepreneurship." Mogal sir started his presentation with a question, asking if anyone is interested in entrepreneurship and if anyone has any ideas to start a business? Starting with the question, helped in grabbing the students' ideas.

Mogal sir talked about what is start up and explain briefly about the innovation solution idea. He also gave various information about entrepreneurship and the entrepreneurial mindset and its importance for the youth on India. He informed about the various incentives by the Government of India and also the incubators all over Maharashtra.

The final vote of thanks was proposed by Ms. Kritika Soni, student of SYBAF after the question and answer (Q & A) session. Around 100 students and 20 faculty members were present for this session and the feedback received from them was positive, they found the session to be productive and pragmatic. It was indeed a great experience and will have a lasting impact on all the participants.
