

**Common Facility Centre (CFC) & E-learning Lab
Under DST FIST Grant, Government of India**

Title of Activity	: Inauguration of Common Facility Centre and E-learning Facility Under the DST – FIST program
Date	: 28 th February 2020
Venue	: College auditorium
Nature of Activity	: Science Popular Lecture and Poster Competition
No. of participants	: 250
Resource Persons	: Prof (Dr.) Sudhir Raniwala

Description:

The hardwork of various stakeholders of the college provided the necessary impetus and motivation for the college to apply and receive the prestigious DST-FIST grant, Department of Science and Technology, Govt. of India. As a result the college has developed a state of the infrastructure with advanced analytical instruments in form of the Common Facility Centre and E-learning centre. The Common Facility Centre is expected to strengthen undergraduate research and develop many key skills necessary for a science graduate. It will comprise of some high end instruments like JASCO Gas Chromatography, Double beam UV spectrophotometer, Rotary Vacuum Evaporator, Shaker Incubator, Inverted Microscope, Vertical Laminar Flow, Ikea Moisture analyzer, Florescence Spectrophotometer, High, Performance Liquid Chromatography, Atomic Absorption Spectrophotometer, FTIR etc. The E-learning center will pave the way for developing e-resources for the students and improvement of their soft skills which has become even more relevant and necessary after the rapid spread of Covid-19 into a pandemic and sudden lockdown in the country.
