

With an urge for Girl-Child Education, the Institute pays special focus towards promotion and sensitization of staff and students towards gender equity through the activities of the Women Development Cell, NSS, and various departments. Some of these activities include Gender Sensitization Workshop (21st September, 2019) by NSS, Woman's Day Celebration, launch of the initiative to vaccinate the transgender community on the occasion of 75th Independence Day, organisation of "change the narrative on inequality" a sensitization session on gender equity, screening of Vibha Bakshi's National Award-winning film 'Son Rise' (27th Sept 2019). The departments also inculcate gender sensitivity through the curriculum- through poems & stories of the Hindi dept (stree, Apne ghar ki talaash (FYBA), Uttni door mat byahna baba(SYBA), Beti), the Bizzenture Ad (Maybelline Ad – Lipstick for all), by BMS department focusing on inclusion of transgenders. Furthermore, the campus is fully fenced and protected with no tress-passers allowed, and has 24x7 CCTV surveillance with 24 hours' security-guards (including female security staff) on each floor and each gate. The college also offers free and confidential individual counseling focussing on empowerment, personal growth, and equality. The mental HelpLine during pandemic, online webinars and counselling workshops are a few instances of the same.
